The San Carlos Police Department is currently RECRUITING NEW POLICE OFFICERS

We are looking for men and women who thrive on challenges, and are willing to work hard to learn the skills necessary for this difficult but critical role.

Don't doubt that this can be a tough and unpredictable job, but it is also the most rewarding position you will ever have. Every day when you put on that uniform and go to work, you will be making life safer and more secure for your friends and neighbors, and making your town a better place to live.

Nothing is more valuable than that.

Do you have what it takes?

We are looking for people with the initiative and willingness to learn new skills and methods for combating crime and violence.

What's in it for you?

Now that we've told you about the hard work ahead, you might be thinking: 'Is it worth it? What would I get out of this?' The answer is: A great deal. There's so much to gain from becoming a police officer.

In return for your hard work you will:

- have a rewarding job where no two days are ever the same
- be constantly challenged and always learning
- be valued for your contribution to your community
- be well paid and have an excellent benefits package
- have continual opportunities for advancement
