The Committee discussed the complaint filed against Phoenix Police Officer Sergio Virgillo. Judicial Watch requested AZ POST conduct an investigation into Officer Virgillo for neglect of duty, failure to discharge his duties properly, and possible assault as it relates to his involvement in the shooting death of Mr. Daniel Rodriguez by former Phoenix Police Officer Richard Chrisman.

Compliance Specialist Steve Jacobs presented to the Committee the results of AZ POST's investigation. The investigation concluded there is no evidence to support Judicial Watch's claim that Officer Virgillo failed to act, was negligent or failed to properly discharge his duties.

The Committee recommended that this matter be closed and no further investigation is warranted. The matter will not be referred to the entire Board.
