16 Course Hours

This course has been developed through the Texas Department of Public Safety. ***INTERDICTION FOR THE PROTECTION OF CHILDREN*** is designed to make ***patrol officers*** aware of a variety of resources available to assist them in establishing the status of a child who may be abducted or endangered and what courses of action are immediately available. ***INTERDICTION FOR THE PROTECTION OF CHILDREN*** will provide the knowledge of behavioral patterns of both suspects and victims. The items to look for might be present or absent along with the type of questions that need to be asked. When taken together, and in their proper context, are indicators of a high risk victim or a high risk threat that can be articulated and supported through research to meet this legal requirement.
