Notice: Your signature above is your consent to conduct business with AZPOST using an electronic signature process in the ASSC system. Electronic signatures in the ASSC system have the same force and effect as your physical signature.

Important notice regarding your agency's participation in the ASSC System.

Terms and conditions of use:

1. Agencies participate in the ASSC System at their own risk. Agencies are highly encouraged to maintain separate backups of data in other formats.
2. AZPOST is not responsible for the actions of persons granted access to the system by an agency.
3. AZPOST may at any time conduct investigations into the use of the system to ensure the integrity of the system, this may include real time monitoring of user activity.
4. AZPOST may at any time revoke a user's or agency's access to the system.
5. AZPOST performs daily backups of data for total system recovery only. Loss of information caused by the actions of users, such as the deletion of individual records or forms cannot be recovered.
6. In the event of a catastrophic data loss, AZPOST will recover data to a point which may result in a loss of information that was added / updated / removed to / from the system during the time period from the completion of the backup to the time of loss.
7. AZPOST is obligated under the law to provide redacted information contained in the system to requesting members of the public without notice to your agency.
8. If an agency chooses to no longer participate in the ASSC System, AZPOST will provide to that agency their data in a DOS standard delimited text file.
9. Agencies must be aware that state law may be applicable to the retention of information put into the ASSC System, and AZPOST will comply with applicable laws regardless of your agency's policies regarding record retention.
10. The agency shall notify AZPOST within 72 hours if the person listed on this form is no longer under the employ of the agency, or otherwise needs to have access to the system removed.
11. The signature of the Requestor is required for this form to be valid.
