

## **Elder Abuse**

8 Hours – Continuing Training Credit

This class is designed for law enforcement officers to increase awareness of elder abuse and how to improve on the investigation of elder abuse cases. The goals of this class is to enhance officer and victim safety, identify forms of elder abuse that officers may encounter, identify key indicators for each type of abuse, apply appropriate criminal statutes to an incident of elder abuse and to recognize and utilize community resources. Victim safety is a key training point as well as avoiding assumptions, recognition of abuser tactics and how to work collaboratively in the prevention and investigation of elder abuse.
