

Equine Investigations
Arizona Horse Council
8 Hours – Continuing Training Credit

This program provides officers with instruction and familiarization in the following topics concerning equine investigations:

- * Equine abuse or neglect according to Arizona Revised Statutes (A.R.S.).
- * Being prepared to respond to equine investigations (including officer safety considerations).
- * Inspecting equine facilities and learning veterinary aspects of abused/neglected horses.
- * Building and documenting the investigation.
- * Who has the legal right to seize horse per A.R.S.
- * Dealing with bystanders, the media and special interest groups.
