

SEX CRIMES INVESTIGATION

32 hours – Continuing Training Credit

This course is designed for both the new and experienced investigator in sex crimes. Instruction will include forensic interviewing, crime scene investigation, suspect identification, profiling and interviewing, sex crime examinations, injury documentation, use of DNA, court room preparation and testimony.

This course focuses primarily on the adult victim but will discuss some aspects of child sex crimes. Aspects of Human Trafficking will be incorporated to differentiate in victim vs criminal, and how investigations will vary.
